Prices for other durations on request.

### Charter Duration

Charters run from 16.00 hrs on the first day and we ask charterers to have cleared and cleaned the boat ready for the hand back at 10.00 on the final morning.

### Booking Deposit:

£500 per boat, due within a week of provisional booking being made

### Balance of charter fee:

Due four weeks before start of charter

## Security Deposits:

**Colonsay** £800

**Jeanne** £1,200

**Tigger Too** £800

**Ayla** £1,200

**Findeln** £800

**Sea Fever** £1,200

**Clova** £1,000

**Tin Tin** £1,200

These deposits reflect the increase in insurance policy premiums and excesses during the past four years; we are now required as a condition of our insurance to take payment of the security deposit before the start of the charter. Refunds will be made the week following the end of the charter.

## Waterproofs

We have a limited number of sets of waterproofs for hire (mainly Musto and Gill) on a first come first served basis. Price is £25 per set per week, or part thereof.

## Bedding

Pillows and freshly laundered pillow cases are included in the basic charter price for each boat. We can also supply duvets/sheets or sleeping bags on request, again on a first come first served basis. Price is £20 per person per week or part thereof.

## Weekend Charters

We are happy to offer some of our boats for long weekend charters. During the low and mid-season months of March, April, May, September and October all of the boats may be available for weekend trips, but during the peak season months of June-August it is only the Thursday and Friday boats which may be available for weekend trips. Weekend charter rates are as shown overleaf in *italics* – these can be extended by adding the equivalent *pro-rata* daily rate

## Regatta/Racing Charters

Most of our boats have an up to date handicap based on the CYCA system, enabling them to be used for racing or regatta charters if required. The Typhoon and Tartan 41 are particularly suited towards this, and can come supplied with spinnakers as required. The Typhoon also has an extensive set of Mylar racing sails, which can be hired for an additional premium. The charterer has to pay for the additional racing insurance; this varies during the course of the season, but are typically £200-£250 per week for a 35-40' boat.

## Discounts

For charters of two weeks or more we are able to offer a discount of 10%; charters involving two or more boats are eligible for a 5% discount. We try to keep our prices as competitive as possible, and are therefore unable to offer discounts for single week charters.

## Couples/Families

Couples on our smaller boats (<36') are eligible for a 10% discount, whilst single family groups (ie 2 parents plus up to 2 children) on all boats are eligible for a 5% discount

## Long Distance Route Options

We are unique amongst yacht charter companies in being able to offer charters the opportunity to undertake a trip that involves **free passage** through both the Crinan and Caledonian Canals. This opens up the possibility of a two or three week charter around the top of Scotland via the Orkneys and Shetland, or a circuit of Kintyre taking in the Sound of Jura, Islay and Gigha, Northern Ireland, Mull of Kintyre, Arran and the Firth of Clyde. Some of our boats are also coded for charter for voyages to the Faroes, Iceland or even Norway!
